Tata Electronics Pvt. Ltd. Hosur is a venture under the aegis of Tata Sons with a drive to leverage the best Engineering and Manufacturing talent in India.

Tata Electronics Pvt. Ltd. manufacturing facility is located in the Krishnagiri district of Tamil Nadu where it works towards creating a conscientious socio-economic footprint with a target of employing 85 percent women in its workforce. The organization also aims to make a difference in the social and cultural landscape in the surrounding areas by necessary intervention and assistance in health, hygiene, and education. The Tata Electronics Pvt. Ltd. story is not just about the production and roll-out of precision electronic components. It is also about a will to transform society, built on a collective dream.

Panel of 10 members team from Tata Electronics Pvt. Ltd. Under the supervision of **Aishwarya Lande** came for searching suitable talent by conducting student written examination, interviews and group discussions for Junior Technician. The Panel members were welcomed with bouquets and Memento as a token of appreciation and respect. Panel members were very keen in conducting Campus recruitment drive next year also.

The recruitment programme was coordinated by **Kirtikaran Pujar**, Deputy Collector (Integrated Rural Development office, Kinwat), **Dr. Tejas Maladkar** and **Renuka Tammalwar**, Assistant Commissioner (Social Welfare Department Nanded)

YESHMENT MAHAVIDYALAYA, NANDED.

The recruitment programme was coordinated by Dr. Saheb L. Shinde and Dr. V.C. Borkar (Placement cell Chairman and coordinator) under the supervision of Dr. Ganeshchandra Shinde Principal, Yeshwant Mahavidyalaya, Nanded. The programme commenced with a warm welcome of Tata Electronics Pvt. Ltd. team. This was followed by a small presentation by Mrs. **Aishwarya Lande** which gave a detailed knowledge of the company and the job role. The entire process had been completed in 8-10 hours on the same day. Result was also announced on the same day. The tests schedule on the day of recruitment was as follows:

1. Written Examination
2. One on One Discussion – HR discussion
3. Group Discussion

Around **5500** Girls candidates participated in the campus recruitment drive from different villages of Nanded District including **630** Girls Students from Yeshwant Mahavidyalaya, Nanded. out of which **2100** candidates were qualified after the first round. Qualified candidates were then assessed on their communication skills, after which 1500 candidates were shortlisted. After the third and final round **1450** girl students were shortlisted and selected by Tata Electronics Pvt. Ltd. Hosur.

Overall experience and feedback of Tata Electronics Pvt. Ltd recruitment team was very positive as the need of their organization to search the right talent to drive its business objectives were fulfilled by the students and the Campus Recruitment Drive conducted by us.

Principal Dr. Ganeshchandra Shinde motivated and supported in every aspect for the successful conduction of this campus drive and quoted how such programmes were essential for boosting the confidence of students and for the strong image of our Institute by building a bridge between prestigious Tata Electronics Pvt. Ltd. organisations and Yeshwant Mahavidyalaya, Nanded.
