A Report on

**“Student Induction Program (SIP) For Economics Entrants: 2023-24”**

**About Student Induction Programme (SIP):**

The ultimate aim of education is develop a perfect personality. Therefore UG and PG Department of Economics and Research Centre organised a one day Students Induction Program (SIP) for academic year 2023-24 under the able guidance of Hon'ble Principal Dr. G. N. Shinde for the fresh entrants to M. A. and B.A. Economics Program separately. The objective of this program was to acclimatize the students to the new environment and get them familiar with the institution culture. Purpose & Concept of the Student Induction Program is a well-planned event to educate the new entrants about the environment in a particular institution, and connect them with the people in it. At the beginning of the induction, the incumbents learn about the institutional policies, processes, practices, culture and values.

The Student Induction Program is designed to make the newly joined students feel comfortable.. It also connects students with each other and with teachers so that they can share any difficulty they might be facing and seek help. Familiarisation with College and Department.

The incoming students should be told about the Credit Based Choice System (CBCS) and grading system, and about the examinations. After graduation & post-graduation what role the student would play in society as an economics student. Welcome and guidance by the senior students of the department would be very helpful in this regard. The new students should be introduced to the extra-curricular activities at the college/department. They should be shown the facilities and informed about activities related to Economic Study Forum etc. This is when selected senior students involved in or leading these activities can provide factual information and experiences which they had.

**Partners in Induction:**

-  Head of the institution (Principal Sir)
-  Invited distinguished Resource Person
-  Head of the Department
-  Faculty Mentors

✚ M. A. II , BA II and BA III<sup>rd</sup> year Economics Senior students (student guides)

✚ New entrant M. A. I and BA I year Economics students.

#### ❖ Objectives of Induction Program:

Department of Economics organised Students Induction Program for PG First year students for academic year 2022-23, our aims and objectives are as follows:

- 1) Introducing teachers to student
- 2) Introducing senior student and new student to each other
- 3) To inform the newcomer student about rules and regulation of department of the collage
- 4) Explain what career opportunities are available to student pursuing a P. G. in Economics subject.
- 5) To provide information about which types of educational, research related and co-curricular activity conducted by department of Economics during the whole academic year.
- 6) To eliminate anxiety of newcomer students and develop confidence of newcomer student about how to complete their PG on qualitative and quantitative basis.

Department of Economics organised Students Induction Program both for UG and PG First year students for academic year 2022-23.

#### Induction Program Inaugural Function:

**Date of Induction Program: 22/08/2023**

**Time Induction Program: 11:00 am to 1:00 pm**

#### Outline of program

In the introduction of program, the head of department, Dr. Muthe said that, our department is PG Granted and well-known research center of this university, we provides departmental library and internet facility for student as well as establishes Student Study Forum every year board flair “Arthankur” also is published by the department every year and this study Forum works to publish variety of wall posters and news magazines on current issues of the economy and organize few guest lectures every semester. He also told that, department of Economics organized National level conference, seminar as well as Research Methodology workshop for promoting research.

**Chairman of Induction Program Principal Dr. G. N. Shinde** sir said in his presidential address that our collage is very well known and famous college in Nanded district. University level and NACC level Performance of our collage has very glorious progress on the basis of qualitative and quantitative. He also told that co-curricular activities are most important factor in your career so here you have to work hard to build your bright future. He also suggested students

to acquire basic knowledge while studying in UG and PG classes and they should emphasize on applied education and acquire some new skills.

Economics.**

Chief Guest of this induction program the keynote speaker Dr.D.K.Magar Associate Prof. & Head, Department of Economics Hut. Jaywantrao Patil Mahavidyalaya, Himayatnagar, Dist. Nanded, talked about "Financial Market Literacy & Career Opportunities in Economics" and how the student of Economics have a access to various types of competitive exam like MPSC, UPSC.SET/NET & Banking as well as opportunities in the field of market research, as economist, tax consult, policy maker and Indian Economic services. What are their syllabus and how to study them? Also suggested that students should acquire basic knowledge while studying in postgraduate classes emphasize on applied education and acquire some new skills. In today's modern times and ever-changing technology, new career opportunities are created, but if students set their goals early while studying to take advantage of these opportunities, the career path becomes easier.

The program was presided over by Professor Dr. P. R. Muthe was Head of Department of Economics at Yashwant College Nanded while Prof. Dr. Dnyaneshwar Papulwad Pvt. Dr. DD Bhosle was present on the stage. Introduction of Chief Guest Prof. Dr. DD Bhosle made the students very apt. At the beginning of the program, Head of Department of Economics Prof. Dr. PR Muthe welcomed the chief guests with bouquets.

Expressing the introductory remarks of the program, Head of Department of Economics, Prof. Dr. P. R. Muthe said that students have taken admission in this college to build their future, those students should know about the facilities available in the college, what career opportunities are there while studying degree and post-graduate courses, they should get information about what programs are being implemented in the college, and economics. You should know about the programs conducted by the department, especially the things that are conducted online in the college like online attendance, online subject related notes, online exam video links, software prepared by the students of the college and all these things should be known. In his introductory speech, he informed the students that the session opening program is organised for this purpose.

The chief guest of this program Prof. Dr. Datta Magar said in his lecture that if we think about the career opportunity in the subject of economics, economics is a science that is useful at every time and in every place and not only banking sector share market competitive exam but also as an economist of the country we can gain reputation in our country and abroad by progressing in this field. Speaking about financial literacy, he said that in modern times, we should give importance to financial literacy because we have less financial literacy than other countries. Only 11.6 million people in the country are involved in the share market, capital market, coin market and have knowledge of this. It is important to be financially literate in this period of time because they know about it. While guiding the students, they gave detailed guidance about what is the stock market, what is the capital market, what is the currency market, and what care should be taken while investing in the stock market, etc. He said at this time that if the capital is increased, it will automatically become bigger. The program was coordinated by Prof. Dr. Santosh Patil gave a vote of thanks to Prof. Dr. Shivraj Awale. Prof. Department of Economics to make the commencement program a success. Dr. Praveen Kumar Selukar Pvt. Dr. Shivraj Awle Prof. Dr. Yogita Pawar Prof. Rahul Lingampally, Prof. Dr. Santosh Patil Pvt. Dr. Preeti Naik, Prof. Naina Deshmukh and students worked hard.

Session Outcomes: The first year students were more inquisitive about to know. The Economics Subject and Career Scope. Few students asked questions regarding job opportunities and Dr.D.K.Magar answered the queries suitably, therefore student were very satisfied with the program and gave them good feedback.
