Report on Induction Program for Botany First Year Students – 2023-24

An Induction Program was conducted by the Department of Botany Yeshwant Mahavidyalaya, Nanded on 03/08/2023 with the intention of introducing newly admitted B. Sc. first year students to the Institution and curriculum of Botany first year.

The Chairperson of the program was Dr. Shirang Bodke, the Head Department of Botany and Dr. Ajay Muthe Head Dept. Economics was the chief guests for the program. Dr. Muthe introduced the students to the college, its rules, scientific traditions and professional commitment in producing quality students for the country. He delivered a vivid description about the college facilities such as College Katta, the library, the computer centers, the language lab etc.

The staff member Dr. MMV Baig, addressed the students about importance of plant in the nature. He implored the students to practice positive thinking to keep their minds sharp in order to achieve the maximum of their capabilities.

Dr. Saheb L. Shinde, urged the students to take their academics seriously and be regular to the classes to keep their attendance in a desirable level. He wished the students well for their maiden academic year in the science stream.
