## 1. Preface:

Apart from the academic education, department provides the platform to the students to explore and enhance their interpersonal skills. YMIT FEST is a Key activity runs in the department of computer science and information technology, which provide the opportunity to students to develop research mind-set in computer science & IT, and to provide spotlight on students knowledge and presentation skills

First YMIT FEST was organized in 2008 and since then it become a regular and key activity of department of computer science. Even During COVID pandemic department has successfully organized YMIT FEST-20 & YMIT FEST-21 in Online mode under the valuable guidance of Respected Principal Dr. Ganeshchandra N. Shinde. After release of constraints by the government due to the downfall of COVID, the Respected Principal has given permission to schedule the event is in Offline mode.

This year YMIT FEST 2024 was organized at large scale in the form of inter college competition. The two days event was scheduled on 26-27 Feb, 2024. I am very glad to specify that almost 163 participants from all over university jurisdiction has participated the events organized under YMIT FEST 2024. Student participants have participation in Poster Presentations, HTML Coding and Extempore Competitions and present a showcase of there skills and abilities.

The organizing committee of staff member and students have taken extensive effort under the guidance of Dr. Ganeshchandra N. Shinde and head of department Mr. N.A Naik. I express my sincere thanks to Respected Principal Dr. Ganeshchandra N. Shinde for given me opportunity to contribute as an organizing secretary of event. I also thank full to Mr. N.A Naik and all organizing committee members of staff and students for their support in making YMIT FEST 2024 as a grand success.
