Preface

The **YMIT FEST 2025** with the theme “**Igniting Innovation, Shaping Viksit Bharat 2047**”, was a grand celebration of creativity, intellect, and technological prowess. Organized by **Dennis Ritchie IT Club, Active Forum & the Department of Computer Science & IT of Yeshwant Mahavidyalaya, Nanded**, this fest was envisioned as a platform to inspire young minds, foster innovation, and contribute towards India’s roadmap to becoming a fully developed nation by 2047. The festival brought together students from diverse institutions, providing them with opportunities to showcase their talents, enhance their analytical thinking, and engage in meaningful discussions on futuristic advancements.

YMIT FEST 2025 featured two intellectually stimulating events:

1. **Poster Presentation** – A total of **88 posters** were presented, demonstrating students’ research, creativity, and vision in various fields of Computer Science and Information Technology.
2. **Extempore** – With **25 participants**, this event challenged students to think on their feet, articulate their thoughts confidently, and engage in insightful discussions on technology and its role in shaping the future.

Students thoroughly enjoyed the fest and provided overwhelmingly positive feedback on the seamless execution and engaging nature of the events. The enthusiasm and active participation of students from **Nanded, Hingoli, and Latur districts** made this event a grand success.

Acknowledgments

We extend our heartfelt gratitude to our esteemed **Chief Patrons**, whose unwavering support and guidance made this event possible:

About YMIT FEST 2025

Shri Sharda Bhavan Education Society's **Yeshwant Mahavidyalaya, Nanded (M.S.)** proudly organized **YMIT FEST 2025**, an esteemed inter-college event for **UG and PG students**. Hosted by the **Department of Computer Science & IT**, in collaboration with the **Dennis Ritchie IT Club** and the **Active Forum**, this event took place on **28th January 2025** at the Department of Computer Science & IT, under the esteemed leadership of **Principal Dr. Ganeshchandra N. Shinde**.

Since its inception in the **academic year 2008-09**, YMIT FEST has been an annual celebration of knowledge, technology, and innovation. Despite the challenges posed by the **COVID-19 pandemic**, the festival continued uninterrupted, with **YMIT FEST 2020 and YMIT FEST 2021** successfully conducted in an online format. Over the years, the fest has grown into a prestigious platform where students from **various colleges under S.R.T.M. University's jurisdiction** showcase their talents and compete in intellectually enriching events.

The event aimed to **foster creativity, encourage critical thinking, and promote technical excellence** among students.

Highlights of YMIT FEST 2025

The festival featured two key competitions:

1. **Poster Presentation – 88 posters** were showcased, presenting innovative ideas on emerging technologies and national development.
2. **Extempore – 25 participants** displayed their eloquence, quick thinking, and knowledge on diverse topics.

The event saw enthusiastic participation from students across **S.R.T.M. University's jurisdiction districts**, making it a grand success. Participants **appreciated the seamless organization, engaging activities, and the valuable learning experience** gained through the fest.

As we continue this tradition of excellence, **YMIT FEST remains committed to shaping future innovators, leaders, and changemakers**, aligning with the vision of **Viksit Bharat 2047**.

Theme of YMIT FEST 2025

The theme of **YMIT FEST 2025**, "*Igniting Innovation, Shaping Viksit Bharat 2047*," was carefully chosen to align with **India's vision for a developed nation by 2047**. As we move toward this milestone, technology and innovation play a crucial role in shaping the country's progress across various domains, including **education, industry, governance, and sustainability**.

Igniting Innovation

Innovation is the key driver of transformation. In today's rapidly evolving technological landscape, fostering **creativity, critical thinking, and problem-solving skills** among students is essential. This theme encourages young minds to explore emerging technologies like **Artificial Intelligence, Blockchain, Cybersecurity, and Sustainable Computing** to solve real-world challenges.

Shaping Viksit Bharat 2047

The Indian government has outlined an ambitious vision for a **developed India by 2047**, marking 100 years of independence. This vision includes **economic growth, digital transformation, sustainable development, and inclusive progress**. By equipping students with technological expertise and an innovation-driven mindset, we contribute to shaping a self-reliant and progressive India.

Relevance to YMIT FEST 2025

YMIT FEST 2025 aimed to provide students with a **platform to showcase their ideas, research, and skills**, empowering them to become the future leaders of India's technological revolution. The events—**Poster Presentation and Extempore**—encouraged participants to explore and express their **understanding of technological advancements and their potential impact on India's future development**.

Through this theme, **YMIT FEST 2025 inspired students to think beyond conventional boundaries, embrace emerging technologies, and actively contribute towards the realization of Viksit Bharat 2047**—a nation that is innovative, self-sufficient, and globally competitive.

About Society

Shri Sharda Bhavan Educational Society was established as an educational trust to dispel darkness of illiteracy and to provide quality education to economically and industrially backward region of the state in 1952. A modest effort in this direction was initiated by some eminent personalities of this area. **The Founder President Hon'ble Late Dr. Shankarraoji Chavan (Former Union Home Minister)** established the first school in 1956 and then onwards there was no looking back for the society. The Society has kept its educational graph rising for the decades. The society always looked forward for upgrading the educational facilities. Today, Shri Sharda Bhavan Education Society is one of the reputed educational societies in the Marathwada region of Maharashtra. The society has given a significant contribution in research and educational development of Nanded district.

About College

Shri Sharda Bhavan Education Society laid foundation of Yeshwant Mahavidyalaya, Nanded, in 1963 and ever since, it has been emerging as one of the premier institutions of higher learning in the region of Marathwada. Yeshwant Mahavidyalaya has a long-standing academic tradition of excellence in research and scholarship. Here in the Yeshwant campus students are groomed for curricular, co-curricular and extracurricular excellence. The college is identified as College with Potential for Excellence (CPE) by UGC New Delhi in the first phase 2004 and re-accredited with "A+" grade with 3.27 CGPA (IV Cycle) by NAAC Bengaluru. The college is proud to have received The Best Teacher Award by the State Government, Best College Award by SRTMUN, Best Principal Award, Best Teacher award and The Best NSS Officer Award. The college magazine Yashodeep has been awarded the 1st prize by SRTMU Nanded, Maharashtra State level first prize, the parent university level first prize and the Nanded district level first prize for the gender equality programs executed on the campus under the Government of Maharashtra activity titled "Jagar Janivancha", Indira Gandhi Best NSS Program Officer Award, "One District One Green Champion" award from Ministry of Education, Government of India. The institution has implemented UGC Paramarsh Scheme on its campus and has mentored six NAAC non-accredited institutions to complete their NAAC accreditation.

About Department of Computer Science & IT

The **Department of Computer Science & Information Technology**, established in 1990, has consistently experienced steady growth across all aspects of its operations and has played a pivotal role in fostering a dynamic and forward-thinking academic atmosphere within the College.

As a premier department, it offers high-quality undergraduate and postgraduate programs, along with specialized certificate courses. Additionally, it provides exceptional infrastructure and facilities to support research and consultancy activities. The department plays a key role in meeting the increasing demand for skilled

professionals specializing in Computer Science and Information Technology.

The department has consistently delivered outstanding academic results, with students achieving University ranks at both the undergraduate and postgraduate levels. Furthermore, its alumni hold prominent positions across various industries.
