## Preface

In the rapidly evolving world of Information Technology, it is essential for educational institutions to provide platforms that extend learning beyond the classroom. The **Dennis Ritche IT Club of Department of CS & IT, Yeshwant Mahavidyalaya, Nanded**, stands as a vibrant initiative dedicated to nurturing technical excellence, creativity, and professional competencies among students. This report for the academic year 2025–2026 presents a comprehensive overview of the structure, objectives, and activities of the club.

The Dennis Ritche IT Club functions as a bridge between academic knowledge and practical application. It provides students with opportunities to explore emerging technologies, enhance problem-solving abilities, and develop leadership qualities. Through a series of well-organized events such as technical festivals, poster presentations, workshops, and industry interaction programmes, the club encourages active participation and experiential learning.

**Under the visionary leadership of the Principal, Dr. Ganeshchandra N. Shinde, and the dedicated guidance of the Head of the Department, Dr. S. G. Jadhav**, the club has achieved remarkable success in engaging students in meaningful academic and co-curricular activities. The **consistent efforts of the support of the faculty advisory committee and enthusiastic student members**, along with Coordinator, Dr. P. B. Tamsekar, have contributed significantly to the smooth execution of all activities.

This **report highlights the organizational framework of the club for the academic year 2025-2026**, details of the working and student committees, and a description of the major events conducted during the academic year. It also outlines future plans aimed at strengthening industry interaction, enhancing technical skills, and promoting innovation among students.

The Department of Computer Science & IT remains committed to fostering a culture of continuous learning and innovation through initiatives like the Dennis Ritche IT Club. It is hoped that the activities organised through IT club will inspire students to actively participate, explore new ideas, and strive for excellence in the field of Information Technology.

## Inaugural Session

## Introduction

Yeshwant Mahavidyalaya, Nanded has a legacy of promoting academic excellence and holistic development of students. The Department of Computer Science & IT continuously strives to bridge the gap between theoretical knowledge and practical exposure. The Dennis Ritche IT Club serves as a dynamic platform for students to explore innovation, enhance technical skills, and develop leadership qualities.

## About Dennis Ritche IT Club

Named after the legendary computer scientist Dennis Ritchie, the IT Club aims to promote a culture of technical excellence, creativity, and collaboration among students. Through workshops, competitions, seminars, and industry interactions, the club provides students with opportunities to learn beyond the curriculum and prepare for real-world challenges.

## Objectives of the Dennis Ritchie IT Club

- To enhance technical and professional skills of students.
- To promote innovation, teamwork, and leadership.
- To organize academic and industry-oriented activities.
- To encourage participation in competitions and research activities.

## Leadership and Guidance

The Dennis Ritche IT Club functions under the visionary leadership of **Dr. Ganeshchandra N. Shinde, Principal of Yeshwant Mahavidyalaya, Nanded**. His continuous motivation and encouragement inspire both students and faculty to actively participate in academic and co-curricular activities. His focus on innovation, discipline, and holistic development has created a vibrant academic environment.

**Dr. S. G. Jadhav, Head of the Department of Computer Science & IT**, provides strategic direction and academic guidance to the club. **Dr. P. B. Tamsekar, as the Coordinator of Dennis Ritche IT Club (2025-26)**, efficiently manages and executes all club activities with dedication and enthusiasm.

## **Dennis Ritchie IT Club Faculty Advisory Committee (2025-26)**

## Activities Organized by Dennis Ritchie IT Club (2025-26):

### 1. Inter-College Poster Presentation

The Dennis Ritchie IT Club organized an Inter-College Poster Presentation Competition to encourage creativity, innovation, and technical communication among students. Participants from various colleges presented posters on emerging topics in Information Technology.

The event was inaugurated by the auspicious hands of **Respected Principal Dr. Ganeshchandra N. Shinde**. He appreciated the innovative ideas and efforts of the students and provided valuable guidance on effective presentation skills and research orientation.

On this occasion, **Dr. S. G. Jadhav (Head, Department of CS & IT), Dr. P. B. Tamsekar (Coordinator), faculty members, and all student committee members were present.** The event witnessed enthusiastic participation and helped students improve their confidence, creativity, and communication skills.

### 2. YMIT FEST 2026

YMIT FEST 2026 was organized as a grand IT festival in collaboration with the Active Forum of the Department and the Department of CS & IT. The festival included a variety of competitions, technical events and poster presentation providing a platform for students from different colleges to showcase their talents.

The event encouraged innovation, teamwork, and competitive spirit among participants. It also helped students gain exposure to real-world problem-solving and interdisciplinary learning. The festival was a great success with active participation and coordination by students and faculty.

### 3. Industry Connect Programme – "Career Insights in Data Analytics"

An Industry Connect Programme was organized in the form of an expert talk on "Career Insights in Data Analytics" at ICT Hall No. 27, First Floor, Science Wing, Yeshwant Mahavidyalaya, Nanded on dated 24<sup>th</sup> February, 2026.

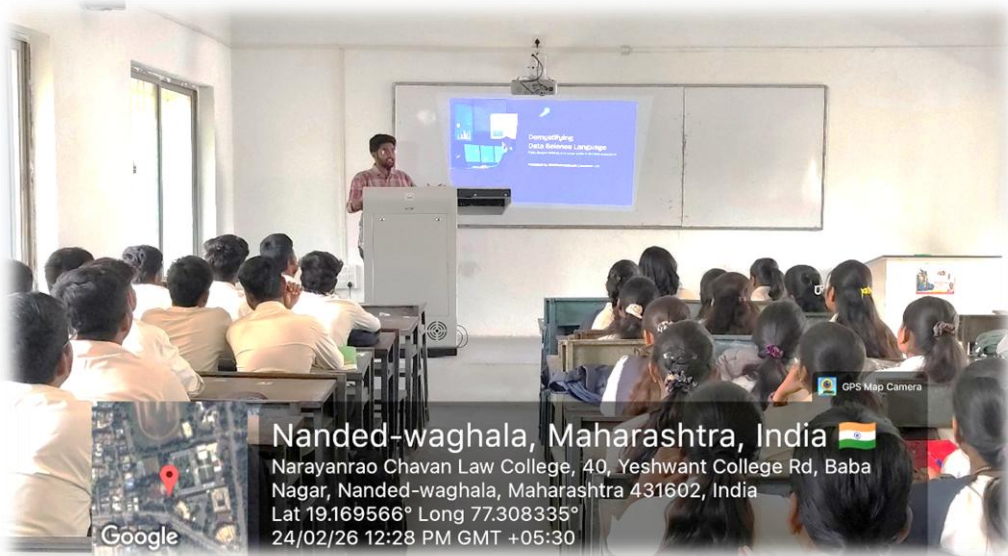

The programme was convened under the guidance of **Dr. Ganeshchandra N. Shinde (Principal)** and coordinated by **Dr. P. B. Tamsekar**, with **Dr. S. G. Jadhav** as the **Organizing Secretary**.

The programme was inaugurated by **Dr. S. G. Jadhav**, who guided students about career opportunities and the importance of industry exposure.

The resource person, **Mr. Abhishek M. (B.Tech., NIT Trichy, Associate at ZS Associates, Pune)**, delivered an insightful session on Data Analytics, career paths, required skills, and industry expectations.

He also interacted with students and answered their queries, making the session highly informative and engaging.

## Future Plans and Activities

The Dennis Ritche IT Club aims to further strengthen its academic and industry engagement through the following upcoming initiatives:

- ✓ Organizing advanced workshops on emerging technologies such as Artificial Intelligence, Machine Learning, Cyber Security, and Data Science.
- ✓ Conducting Hackathons, Coding Competitions, and Technical Quiz events to enhance problem-solving skills.
- ✓ Arranging Industrial Visits and Internship Guidance Sessions to provide practical exposure to students.
- ✓ Hosting Guest Lectures and Expert Talks by industry professionals and alumni.
- ✓ Encouraging students to participate in national and international level competitions and research activities.

## Conclusion

The Dennis Ritche IT Club (2025-26) has successfully conducted various academic and technical activities that contributed significantly to the overall development of students. With strong leadership, active participation, and continuous support from faculty, the club continues to inspire innovation and excellence among students.

The academic year 2025–2026 has been highly productive and enriching for the Dennis Ritche IT Club, reflecting its strong commitment towards academic excellence, innovation, and overall student development. Throughout the year, the club has successfully organized a variety of well-planned activities that have significantly contributed to enhancing both the technical competencies and soft skills of the students.

The **Inter-College Poster Presentation** proved to be an intellectually stimulating event that encouraged students to explore contemporary topics in Information Technology. It provided a platform for participants to showcase their creativity, research capabilities, and presentation skills. The valuable guidance and appreciation from the Honorable Principal, Dr. Ganeshchandra N. Shinde, motivated students to perform confidently and

think innovatively. Such activities play a vital role in developing communication skills, critical thinking, and academic curiosity among students.

**YMIT FEST 2026** stood out as a major highlight of the academic year. Organized in collaboration with the Active Forum and the Department of CS & IT, the festival brought together students from various institutions, fostering a spirit of healthy competition and collaboration. Through technical competitions, exhibitions, and interactive events, students were able to demonstrate their talents, enhance teamwork, and gain exposure to real-world problem-solving scenarios. The festival not only strengthened technical knowledge but also nurtured leadership and organizational skills among the participants.

**The Industry Connect Programme** on “Career Insights in Data Analytics” was another significant initiative that bridged the gap between academic learning and industry expectations. The expert session by Mr. Abhishek M. provided valuable insights into the field of data analytics, including career opportunities, required skill sets, and industry trends. The interactive nature of the session helped students gain clarity about their future career paths and inspired them to align their academic preparation with industry demands.

Overall, the activities conducted during this academic year have played a crucial role in the holistic development of students. They have not only gained technical knowledge but also developed essential life skills such as communication, teamwork, leadership, and problem-solving. The enthusiastic participation of students, combined with the continuous support and guidance of faculty members, ensured the successful execution of all events.
