## Report of “YMZEP: 2022-23”

### **Introduction:**

The Academic Event YMN-ZEP is to be organized by the students for the students every year. This programme includes many sub-events that not only educate the students but also makes them confident and skilled. It allows the students to exhibit their talent and explore new possibilities. YMZEP is an event for the students to establish linkage between expertise and youth, industry and students. It is aimed at the development of the students in which they get an opportunity to bring out their talents in curricular and co-curricular activities.

### **Objectives:**

1. To develop the various skills among students through conducting various programs.
2. To channel the vision and mission of students towards lucrative career opportunity.
3. To bring out the hidden talent of the members.
4. To make the students aware with recent trends in commerce and trade.
5. To bring an overall development in the outlook of students by imparting the necessary skills.
6. To develop a harmonious relationship with the fellow students by way of participating in the activities and competitions held.

The activities of the Department of Commerce are spearheaded by the Commerce Associations of every year. The associations have each and every student of the department as its active member. The association is led by a body consisting of Association President, Vice-President and Secretary under the guidance of the Head of the Department, Association's In-charge teacher and other teachers of the department. These associations play an important role in making the department a front runner, in and out of the college.

In order to accomplish the above said objectives following four (4) Students' Presentation (PPT) Competitions were conducted during the academic year 2022-23 under YMZEP-2023:
