One more programme is also organized by the Chemistry Department Alumni

Yeshwant Mahavidyalaya, Nanded is best described as a pioneer in the task of empowering the students of Marathwada through education.. It has over 56 years of its existence, grown phenomenally from an intermediate to a tertiary level institution and on to a full-fledged premier institution. It has a long standing academic tradition of brilliance in research and scholarship. Today it caters to over 8000 students in Under Graduation, Post Graduation and Ph.D. Programs.

Yeshwant Mahavidyalaya is reputed for providing quality and liberal education in the Humanities, Commerce and Management and basic Sciences. The academic life is rigorous and designed to lay a firm conceptual foundation and provide professional smart classrooms from appropriate teaching-learning using ICT, state of the art laboratories, a recording studio and the other general facilities which are amongst the best in the region. Student Aid Forum (SAF), Earn and Learn Scheme,. Student Adoption by teachers are some of the student centered programs run on the campus. The faculty is distinguished and the support staff is dedicated. The teaching-learning programs are marked with personal mentoring; students are encouraged to work in collaborative teams and learn from peers. The emphasis is on innovative teaching strategies that provide experiential learning through project work, field work and case studies. The college has several Career Oriented Programs. The students can pursue these in conjunction with their regular course of studies. We impart formal education with a difference even as we work within the constraints of a traditional university system. Here in Yeshwant Campus, students are groomed for curricular co-curricular and extra-curricular excellence.

The department of chemistry is identified as star department by UGC in New Delhi Importance of chemistry is undeniable.
