After that by the inspiration of Principal G N Shinde sir so many alumni declared that they are ready to donate the funds for the construction of Yeshwant Boys Hostel.On the first day near about 6 Lakhs (six lakhs)donation was declared .Then a appeal was made by the alumni to donate the funds. There was already an account of Yeshwant Alumni Association was there.It was then renewed and the Bank details of Yeshwant Alumni Association was displayed on Yeshwant Mhavidyalaya, webside.

The Appeal: The hostel is a 'Second Home' for students from economically disadvantaged regions in general and from Marathwada in particular. Children from hard working communities like peasants, farmers, laborers, come to cities like Nanded with the dream of getting higher education; but due to financial constraints, their parents have to face endless difficulties while keeping their children in the city for education. In such instances, the college hostel gives them a major support. The hostel of Yeshwant Mahavidyalaya has provided shelter to thousands of students coming from rural areas. But due to dilapidation, the hostel of the college has been demolished, which is a great inconvenience to the students of the college. Yeshwant Mahavidyalaya, Nanded proposes to re-construct the Boys' Hostel and appeals its alumni to give a helping hand in the construction of the hostel. Responding to this call, the alumni undertook the task of 'raising funds' to rebuild the hostel for alleviating the inconvenience of the students. It has received a very encouraging and spontaneous response in a short period of time. Many alumni have voluntarily and happily come forward for financial donations and have been making a significant contribution to the bank account of the alumni association. We request our proud alumni to contribute for this noble cause.
