

**Activity:**

The department has organized 1 international conference titled "International Conference on Advances in Biosciences: From Darwin to Dolly and Beyond . . ." which witnessed participation of renowned delegates from distinguished institutions of abroad, which is a landmark achievement of the Department and 2 workshops with titles "Workshop on Recent Trends in Curriculum of UG and PG Zoology" and "One Day Workshop on Revised CBCS Curriculum of PG Zoology". Apart from this the department regularly displays wall-papers and posters for helping students in getting acquainted with recent trends in subject. Seminar presentations, oral presentations of the students are also a regular activity involving students actively. Blood group detection, Blood pressure measurement of the students by the students gets spontaneous participative response from the students. Organization of seminars and guest lectures on Health and Hygiene as well as on general topics in Zoology and advanced themes like microphotography are also regular activities of the department.

The Department of Zoology is striving hard for inducing advanced knowledge of the subject to the students of all UG & PG level and setting a quality benchmark in research by guiding Ph.D. Scholars to work in depth on modern fronts.

- Details of the Academic Meets Organized Since 2016:**

<b><u>Sr. No.</u></b>	<b><u>Full Name of the Meet</u></b>	<b><u>Dates</u></b>	<b><u>Sponsoring/ Funding Agencies</u></b>	<b><u>Number of Participants</u></b>	<b><u>Budget</u></b>	<b><u>Type of Meet</u></b>	<b><u>Level of Meet</u></b>	<b><u>Link</u></b>
1.	Two Days Certificate Course on "Microphotography"	2019-02-02 to 2019-02-03	-----	66	-----	Workshop	Regional	<a href="#">pdf</a>
2.	One Day Workshop on Revised CBCS Curriculum of PG Zoology	2019-09-13	SRTMUN	132	34800	Workshop	Regional	<a href="#">pdf</a>

- Guest lectures of eminent experts organized for students Since 2016:**
