Resource Persons

**Mr. Santosh Kulkarni,
Assistant Vice President,
Multi National Company, USA.**

About the College:

Shri Sharda Bhavan Education Society laid foundation of Yeshwant Mahavidyalaya Nanded, in 1963 and ever since, it has been emerging as one of the premier institutions of higher learning in the region of Marathwada. The academic programmes run by the college are the amalgam of traditional; add on, need-based and career oriented courses, taught by a team of experienced and efficient faculty. The college has nineteen research centers in Arts, Commerce and Science disciplines with thirty eight faculties as research guides guiding hundred and fifty research students on the campus. The college is the study center of YCMOU Nasik for graduation Programmes.

Yeshwant Mahavidyalaya has a long-standing academic tradition of excellence in research and scholarship. Here in the Yeshwant campus students are groomed for curricular, co-curricular and extracurricular excellence.

The dedication and the team work of stakeholders have won several laurels to the institution. The college is one of the 47 colleges in the country to be identified as College with Potential for Excellence (CPE) by UGC New Delhi in the first phase 2004 and re- accredited with "A" grade with 3.29 CGPA (III Cycle) by NAAC Bengaluru. The college has been awarded The Best College Award (2006-07) by SRTMUN. The college is proud to get the Best Principal Award (2008-09), The Best Teacher award (2006-07) and The Best NSS Officer Award (2005-2006). The college magazine Yashodeep-has been awarded the 1st prize by SRTMU, Nanded, more than a couple of times.

The college is the proud recipient of the Maharashtra State Level first prize (Rs. 5,00,000/-), the parent university level first prize (Rs. 2,00,000/-) and the Nanded district level first prize (Rs. 1,00,000/-) for the gender equality programs executed on the campus under the Government of Maharashtra activity titled "Jagar Janivancha". The institution reaches the zenith to receive The Indira **Gandhi Best NSS Program Officer Award** from the hands of **His Excellency, Honorable Shri Pranab Mukherjee in New Delhi.**

Call for Participation:

The teachers, researchers, students were informed regarding the Workshop through social media, emails, and print communication. The Brochure of the workshop was circulated through social media and e-mail. The teachers, researchers in the colleges and Universities across the country were informed spired about the Workshop in their respective colleges / universities and region for participation. The interested participants were requested to register with the organizing secretary.

Registration:

There was No Registration Fee for participants.

Link for Registration:<https://forms.gle/Q1x9kShkdKKvauQE6>

Venue Of Event:

Workshop is on Online Video Conferencing Platform with CiscoWebEX

Schedule	
5/3/2022 04.00 to 4.20. pm	Inauguration Function
	Welcome and compering of the programme Dr.S.M.Shinde
	Inaugural address; Dr. Ganeshchandra N. Shinde Principal, Yeshwant Mahavidyalaya, Nanded Former Pro V. C., S. R. T. M. University, Nanded
5/3/2022 4.20 to 5.20 pm	Introduction of the speaker Dr.Bhusare S.A., Yeshwant Mahavidyalaya, Nanded
	Technical Session: “Emerging technologies in Data By Oracle” Speaker : Mr..Santosh Kulkarni Assistant vice president, MNC, USA
5/3/2022 05.20 to 5.30 pm	Valedictory Function
	Concluding address Dr. U.S.Sawant Vice Principal, Yeshwant Mahavidyalaya, Nanded
	Vote of thanks Mrss. R.S.Limaye, Assistant professor, Department of CS & IT

About Webinar:

Department of Computer Science and Information Technology, Yeshwant Mahavidyalaya Nanded organized “National Level Webinar on Emerging Technologies in Data By Oracle”

The Webinar initiated with welcome note by Assistant Prof. Dr.S.M.Shinde, Organizing Secretary of the webinar “The world is changing rapidly with huge technologies innovations and revolutions. This is leading the organizations to build the products and technologies to accommodate this trend. Data is new asset in the 21 st century, how oracle has introduced new products in the market to meet the needs of business enterprises and organizations.”

Preface:

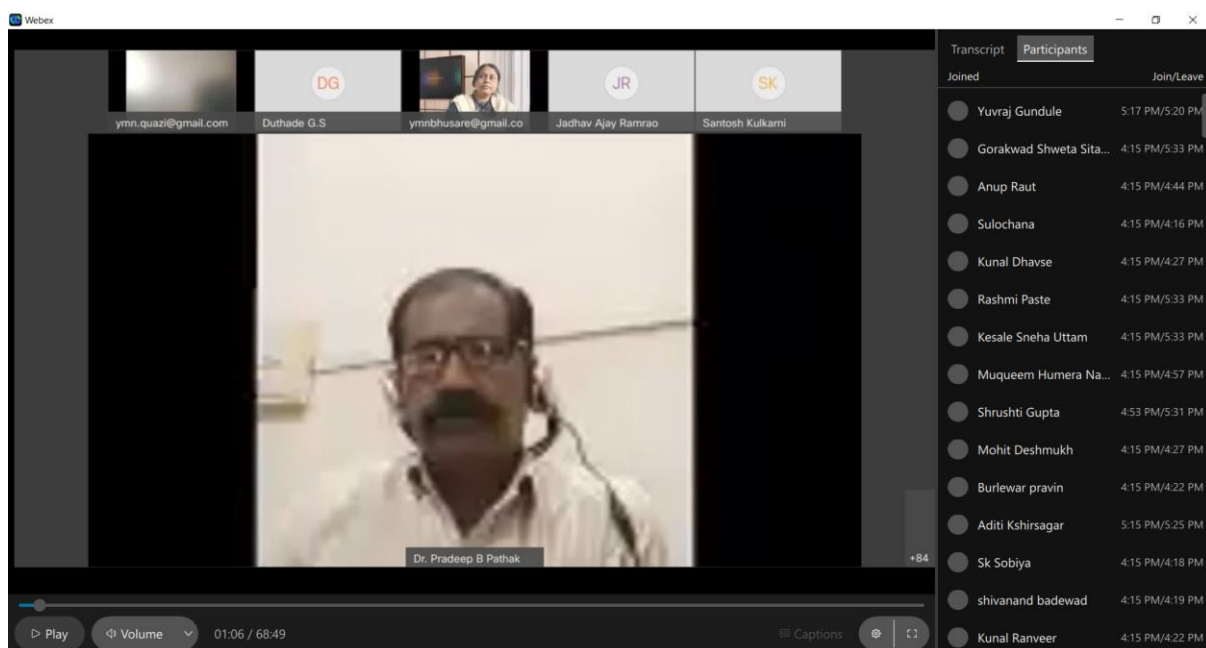

Head of the department Dr. Pathak P.B. stated that “On behalf of Department of Computer Science & Information Technology, he welcome all, for the distinguished online national level program on “Emerging Technologies in Data by Oracle”, organized by the department, with constant inspiration and motivation from visionary Principal of the College and former Pro Vice-Chancellor, Honorable Dr. Ganeshchandra Shinde Sir. Head Department Mr.

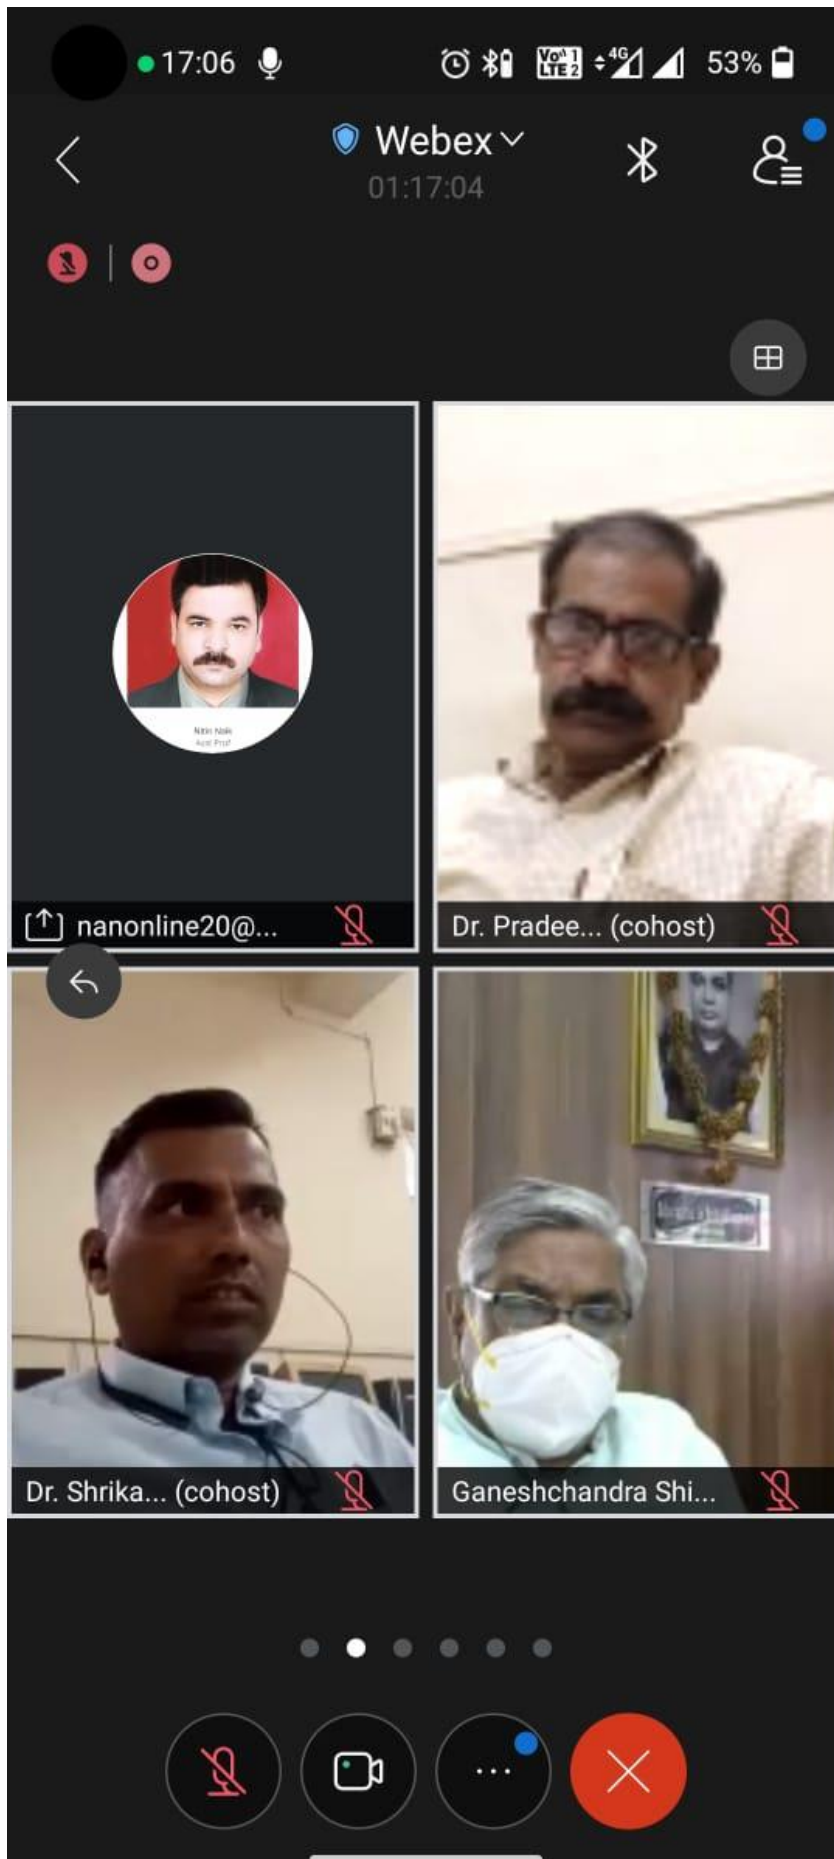

N.A.Naik, organizing Secretary Dr. S.M.Shinde, Computer Science is one of the Frontier departments in the college. It is enriched with necessary infrastructural facilities and highly qualified adequate teaching staff. The department has produced over a period of time quality IT human resource serving all over the globe and making us proud.

Along with teaching learning, It has been the regular practice of the department to invite eminent and organize such programs to keep all our students well informed about current technologies and carrier opportunities to ensure there all round betterment. This is one more attempt.

We are happy to have Mr. Kulkarni Santosh, an eminent industry person having tons of practical experience in Oracle and First hand information about expected computing skills as far as carrier opportunities in IT are concerned. I am sure his deliberations not only give our students in depth insight of Oracle but also enlighten them on carrier opportunities.

He request all, to actively participate in the, what would be extremely fruitful deliberations. Take spontaneous part in the question answer session in the end to make this national level

Introduction to Guest:

Dr.Bhusare S.A. introduce to our guest Mr.Santosh Kulkarni. “He carries 18+ years of IT industry experience in designing,solutioning,developing,managing and supporting customized software solutions/products,primarily databases, dataWarehouse, ETL Technologies, Business intelligence, Big Data and DevOps.

He has worked with prominent international clients: Societe Generale-France, Broadridge Financil-USA, Barclays Bank Plc- UK, GE Money-Germany,Covad Communications-USA. And STAR TV Network-Hong Kong.”

Resource Person Lecture:

Our guest Mr.Santosh Kulkarni present on topic “Emerging technologies in data by oracle”. he focused on emerging trends into data management.

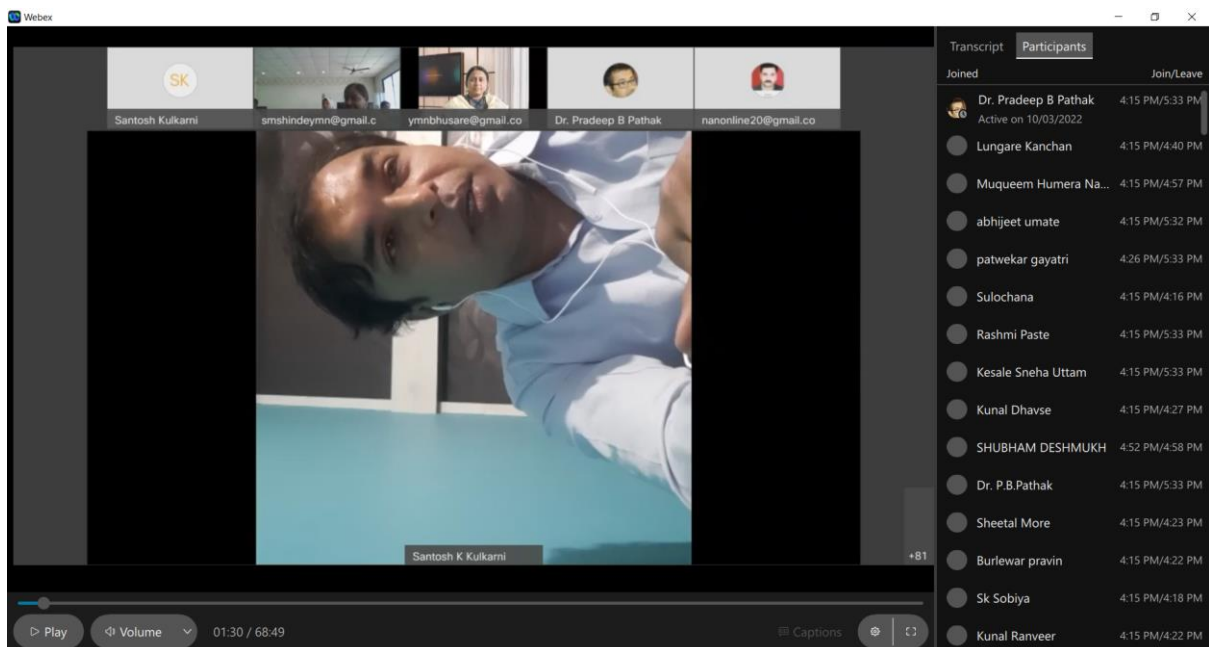

In the starting section of the webinar he said that background of the database and how it is changing in every decades. He also present data evolution in last two decades.

He narrates the importance of data then told what is BigData and he clearly differentiate and explains all the basic things in an easy manner. He explained

cloud computing with its applications platforms and infrastructure.

At the end part of the webinar he explain carrier opportunities in the field of bigdata for professionals and students who wants to build their carrier in BigData and database field. In the last of the webinar Question Answer session has been taken up and the students more curiously ask questions. He has also solved all the queries.

As the feedback form to participants we can guess that the webinar is admirable and speaker is also an excellent person in database. So last the webinar is good for all the participants.

The five Vs of big data

Big data is a collection of data from various sources, often characterized by what's become known as the 3Vs: *volume, variety and velocity*. Over time, other Vs have been added to descriptions of big data:

VOLUME	VARIETY	VELOCITY	VERACITY	VALUE
The amount of data from myriad sources.	The types of data: structured, semi-structured, unstructured.	The speed at which big data is generated.	The degree to which big data can be trusted.	The business value of the data collected.

What is Cloud Computing?

Cloud computing is the delivery of computing services—including servers, storage, databases, networking, software, analytics, and intelligence—over the Internet (“the cloud”) to offer faster innovation, flexible resources, and economies of scale. You typically pay only for cloud services you use, helping lower your operating costs, run your infrastructure more efficiently and scale as your business needs change.

The diagram illustrates the layers of cloud computing. At the top are devices: Laptop, Desktop, Phones, and Tablets. Below them is the 'Cloud Computing' layer, which is divided into four main sections:

- Application:** Includes Monitoring, Content, Collaboration, Communication, and Finance.
- Platform:** Includes Object Storage, Identity, Runtime, Queue, and Database.
- Infrastructure:** Includes Compute, Block Storage, and Network.

An Oracle logo is visible in the bottom left corner of the presentation slide.

Valedictory function:

The Valedictory function was the last session of the webinar. The vote of thanks was proposed by Mrs.Limaye R.S., Assistant Professor Department of computer science and IT, Yeshwant Mahavidyalaya, Nanded. She thanked the faculties of different colleges. Special thanks were mentioned to The Principal Dr. Ganeshchandra Shinde, who gave the prime idea and strongly stood for the organization of webinar. He thanked the resource persons and participants for their co-operation towards conduct of the webinar. He encouraged all the scholars by giving wishes along with the certificates of participation. Thus, the webinar was successfully completed with valuable support of all associated. Two hundred and fifty one participants comprising of students, researchers, teachers, professors from all over the state representing different state of the country participated in the webinar.

Shri Sharda Bhavan Education Society's Yeshwant Mahavidyalaya, Nanded (M.S.) cordially invites Students, scholars & researchers of Computer Science and IT disciplines/faculties for the one day National Level Webinar On **Emerging Technologies in Data by Oracle** on 5th February 2022.

About the Society
Shri Sharda Bhavan Educational Society was established as an educational trust to dispel darkness of illiteracy and to provide quality education to economically and industrially backward region of the state in 1952. A modest effort in this direction was initiated by some eminent personalities of this area. The Founder President Hon'ble Dr. Shankarraoji Chavan, Former Union Home Minister established the first school in 1956 and then onwards there was no looking back for the society. Higher education facility was introduced in 1963 in the areas of Arts, Commerce and basic Sciences, followed by legal, technical and teachers education. The society always looked forward for upgrading the educational facilities so as to keep itself prompt with the changes in the rural and urban areas. This contribution was recognized as awards like 'Dalit Mitra Puraskar' and 'Rajya Puraskar' to the society from the State Govt. of Maharashtra. Today, Shri Sharda Bhavan Education Society is one of the reputed educational societies in the Marathwada region of Maharashtra. The society has given a significant contribution in research and educational development of Nanded district.

About the College
Shri Sharda Bhavan Education Society laid foundation of Yeshwant Mahavidyalaya, Nanded, in 1963 and ever since, it has been emerging as one of the premier institutions of higher learning in the region of Marathwada. The academic programmes run by the college are the amalgam of traditional, value added, add on, need based and career-oriented courses, taught by a team of experienced and efficient faculty. The college has nineteen research centers in Arts, Commerce and Science disciplines with thirty-eight faculties as research guides guiding hundred and fifty

standing academic tradition of excellence in research and scholarship. Here in the Yeshwant campus students are groomed for curricular, co-curricular and extracurricular excellence. The dedication and the team work of stakeholders have won several laurels to the institution. The college is one of the 47 colleges in the country to be identified as College with Potential for Excellence (CPE) by UGC New Delhi in the first phase 2004 and re-accredited with 'A' grade with 3.29 CGPA (III Cycle) by NAAC Bengaluru. The college is proud to have received The Best Teacher Award by the State Government. The college has been awarded The Best College Award by SRTMUN. The college is honored to get the Best Principal Award, The Best Teacher award and The Best NSS Officer Award. The college magazine **Yashodeep** has been awarded the 1st prize by SRTMU, Nanded, more than a couple of times. The college is the proud recipient of the Maharashtra State Level first prize, the parent university level first prize and the Nanded district level first prize for the gender equality programs executed on the campus under the Government of Maharashtra activity titled **'Jagar Janvancha'**. The institution reaches the zenith to receive the Indra Gandhi Best NSS Program Officer Award from the hands of His Excellency, Honorable Shri Pranab Mukherjee in New Delhi. The institution received 'One District One Green Champion' on 11-08-2021 from Mahatma Gandhi National Council of Rural Education, Department of Higher Education, Ministry of Education, Government of India. The College is proud to have received the Best College Award, The Best Teacher Award and The Second Best Magazine Award for 2020-21 from the parent University.

Our Nanded city
Nanded is a holy city with rich cultural historical and religious heritage. It is situated on the banks of the sacred Godavari River. The holy seat of Shri Guru Govind Singh Maharaj, the 10th Guru of Sikhs, makes Nanded city known throughout the world. The presence of Gurudwara Huzur Sahib Sachkhand Sahib brings an international significance to Nanded. The city enjoys the privilege to be the head quarter of Swami Ramanand Teerth Marathwada University, Nanded, an emerging global university.

Goddess Renukamata is reputed as one of the sacred places from religious point of view. Nanded is well connected with the ways of travelling Roadways, Railways & Airways.

About the Webinar
The world is changing rapidly with huge technologies innovations and revolution. This is leading the organization to build the products and technologies to accommodate this trend. Data is new asset in the 21st century, how oracle has introduced new products in the market to meet the needs of business enterprises and organizations.
